

Summa Theologica, Prima Pars, Trinity and Creation By Saint Thomas Aquinas (1225-1274)

The *Summa Theologica* (or the *Summa Theologiae* or simply the *Summa*, written 1265–1274) is the most famous work of Thomas Aquinas (c. 1225–1274) although it was never finished. It was intended as a manual for beginners as a compilation of all of the main theological teachings of that time. It summarizes the reasonings for almost all points of Christian theology in the West, which, before the Protestant Reformation, subsisted solely in the Roman Catholic Church. The *Summa*'s topics follow a cycle: the existence of God, God's creation, Man, Man's purpose, Christ, the Sacraments, and back to God. (Summary adapted from Wikipedia)

This is part two of six parts of the Prima Pars, consisting of questions regarding the Trinity and Creation.

Read by Jim Ruddy. Total Running Time: 10:41:51.
